CONDUCT

PARENTS or GUARDIANS—PLEASE READ

AT the close of each school month, this report will be sent to you for inspection. I hope that you will give it your most careful attention and, if anything is unsatisfactory, your encouragement of the child for better work will greatly increase his interest. It is well to consult with the teacher on the marks that are unsatisfactory. The influence of the home and school must work toward the same end; that of doing the greatest good for each child. As a teacher, I shall do all in my power for my pupils, and ask you to frequently visit the school, for your presence would be an inspiration and help to both pupils and teacher. The exact attitude of your child is marked X on the preceding page.
