

# HANS KALLSEN

Hans Kallsen was born on October 24, 1802 in Satrup, Schleswig-Flensburg, Schleswig-Holstein, Germany to Peter Kallsen and Dorothea Catharina Hansen.

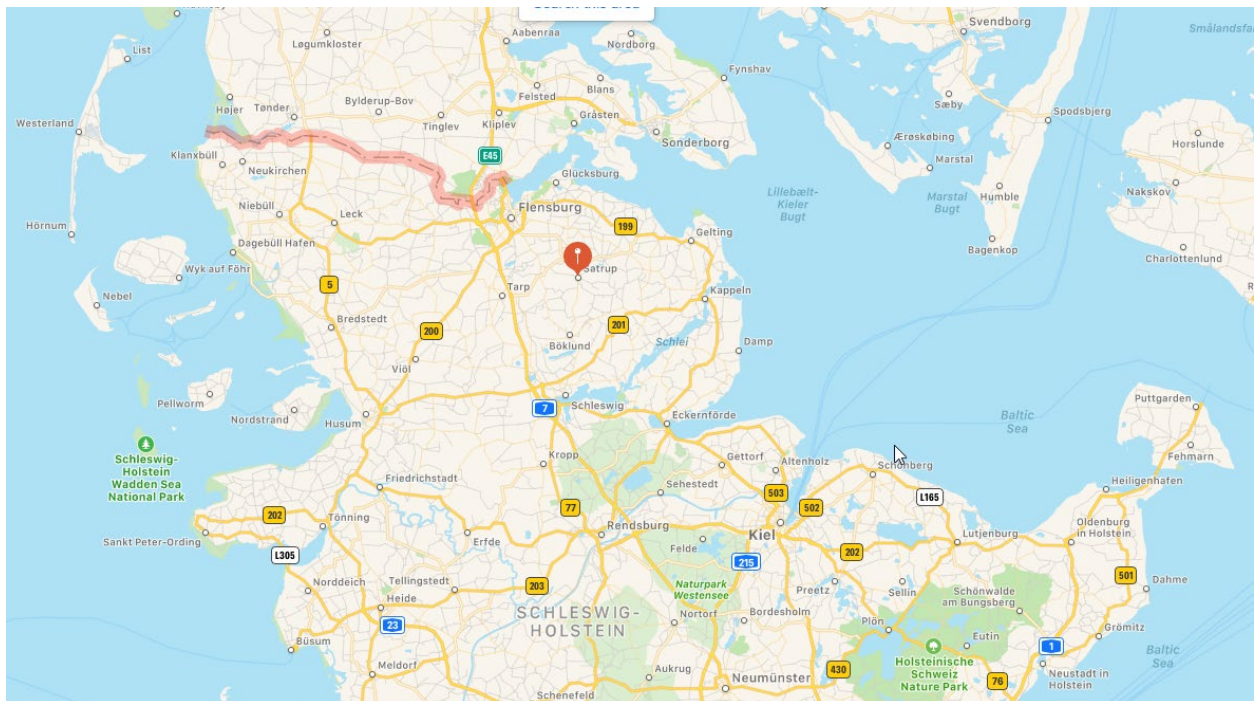

Hans first married Margareta Dorothea Paulsen in 1830 and she died in 1842.

On Dec 23, 1842 Hans married Christine Gertrud Rasch in Niekoppel, Böel, Schleswig-Holstein, Germany.

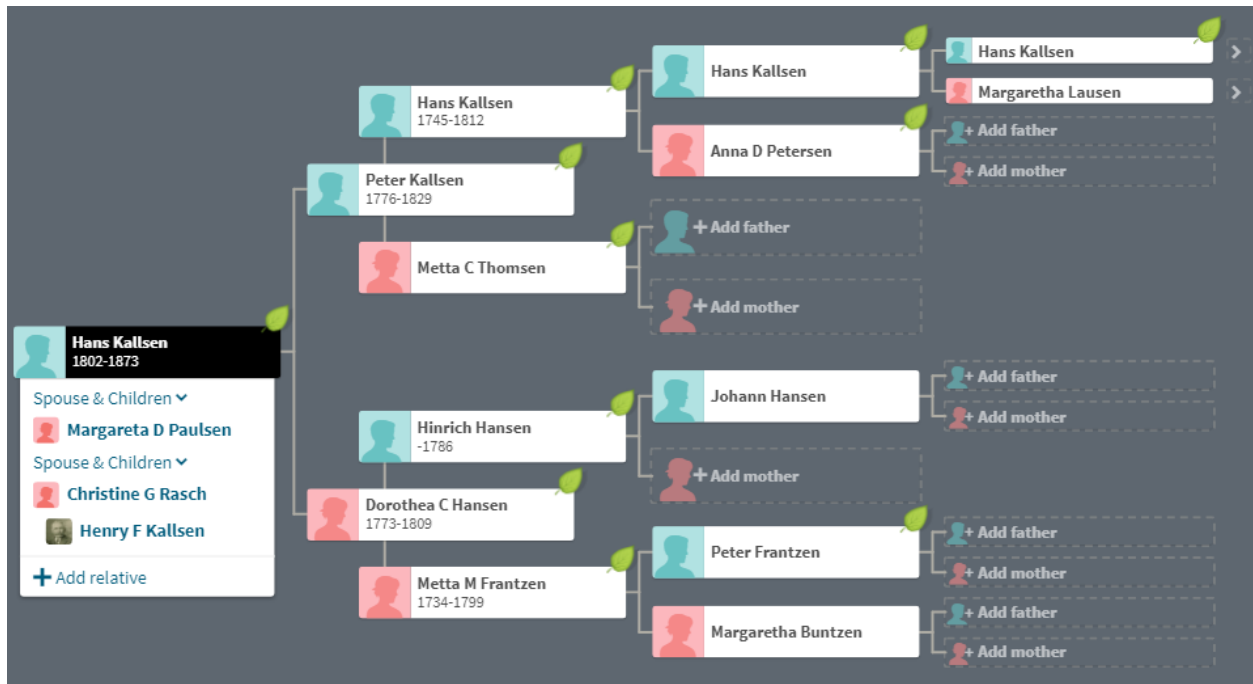

Hans died on September 21, 1873 in Niekoppel, Böel, Schleswig-Holstein, Germany.

I hired a professional researcher to see what we could find on the Kallsen family and while I don't have the full family information for each family, I do have some great information tracing the line as far back as we could go without very detailed online research or in person research.

The interesting part of this research is that the area the Kallsens came from was at times part of Denmark and thus they are part of the Denmark census. The red pin in the map represents Satrup where Hans was born.

Christine died on February 14, 1909 in Böel, Schleswig-Holsetein, Germany.

Her family required a fair bit of research and without more detailed research a bit of a stopping point has been reached for now.
